

Organto Announces Listing on Frankfurt Stock Exchange

Vancouver, BC, Canada, August 24, 2020 – Organto Foods Inc. (TSX-V: OGO, OTC: OGOFF) (“Organto” or “the Company”), an integrated provider of fresh organic fruits and vegetables is pleased to announce that its common shares have been accepted for listing on the Frankfurt Stock Exchange (FSE) under the trading symbol “OGF”. As a result, the Company’s common shares are now cross-listed on the TSX Venture Exchange (TSX-V) and the FSE.

“We are very pleased to be listed on the Frankfurt Stock Exchange as this will create an opportunity to increase trading liquidity and broaden our shareholder base,” commented Steve Bromley, Chair and Interim Chief Executive Officer. “We believe there is strong investor demand for socially responsible organic foods companies in Europe and we look forward to introducing potential investors to our business, markets and exciting plans for the future.” added Mr. Bromley.

The FSE is the world’s third largest organized exchange-trading market in terms of turnover and dealing in securities, and the largest stock exchange in Germany. The FSE facilitates advanced electronic trading, settlement and information systems allowing it to meet the growing requirements of cross-border trading.

ON BEHALF OF THE BOARD,

Steve Bromley
Chair and Interim Chief Executive Officer

FORWARD LOOKING STATEMENTS

This news release may include certain forward-looking information and statements, as defined by law including without limitation Canadian securities laws and the “safe harbor” provisions of the US Private Securities Litigation Reform Act of 1995 (“forward-looking statements”). In particular, and without limitation, this news release contains forward-looking statements respecting Organto’s business model and markets; Organto’s belief that the listing of the Company’s shares on the FSE creates an opportunity to increase trading liquidity and broaden its shareholder base; Organto’s belief that there is strong investor demand for socially conscious organic food companies in Europe; management’s beliefs, assumptions and expectations; and general business and economic conditions. Forward-looking statements are based on a number of assumptions that may prove to be incorrect, including without limitation assumptions about the following: the ability and time frame within which Organto’s business model will be implemented and product supply will be increased; cost increases; dependence on suppliers, partners and contractual counter-parties; changes in the business or prospects of Organto; unforeseen circumstances; risks associated with the organic produce business generally, including inclement weather, unfavorable growing conditions, low crop yields, variations in crop quality, spoilage, import and export laws and similar risks; transportation costs and risks; general business and economic conditions; and ongoing relations with distributors, customers, employees, suppliers, consultants, contractors and partners. The foregoing list is not exhaustive and Organto undertakes no obligation to update any of the foregoing except as required by law.
